

COOKIE POLICY

www.jet-projects.com | October 2026

1. Scope

This policy applies to www.jet-projects.com operated by Jet Projects Limited, Suite 64B, Regent House, Triq Bisazza, Sliema SLM 1640, Malta. AVIOLA app and website tracking is covered separately by AVIOLA notices.

2. Cookies and similar technologies

Cookies, browser storage, pixels and comparable technologies can store or access information on a visitor's device. They may be session or persistent, first-party or third-party.

3. Categories

The categories below explain the types of cookies and similar technologies that may be used on this website. Not every category is necessarily in use. Strictly necessary technologies may operate without consent only where a legal exemption applies. Other technologies will be used only where required consent has been obtained. We are reviewing the website's current cookie inventory and will update this policy with verified cookie-specific details.

4. Consent and withdrawal

Where consent is required, visitors should be offered a choice to accept or reject optional cookies and to manage individual categories before those technologies operate. Optional categories must not be enabled by default. Visitors may change or withdraw their choices using the Cookie Settings control on the website, where available. If that control is not accessible, please contact Privacy@jet-projects.com to request assistance. Withdrawal does not affect processing carried out before withdrawal.

Interim notice: The table below describes possible cookie categories, not a confirmed list of cookies installed on this website. Our technical inventory is being verified.

5. Cookie categories and their purposes

Category	Purpose
Strictly necessary	Required for the Site to function — for example, security, network management, load balancing and remembering your cookie choices. Always active; consent is not required.
Functional	Remember your preferences, such as language or region, to provide an improved experience.
Performance / Analytics	Indicate how visitors use the Site so that we can continue to improve it.
Targeting / Advertising	Enable us and our partners to deliver and measure advertising that is relevant to you. Often set by third parties.

Cookie-specific details (including names, providers and retention periods) will be added once confirmed. Until then, this notice should not be understood as a complete technical cookie inventory.

6. Third parties and transfers

Some website services may be provided by third parties. Where those services use cookies or process personal data, the relevant provider, purpose, duration and any international data transfers will be identified following our technical review. We do not presently make a representation that any particular third-party tracking provider is deployed. For further information, please contact Privacy@jet-projects.com.

7. Applicable law and updates

This policy should be read alongside our Privacy Policy. Relevant legislation includes the EU General Data Protection Regulation (Regulation (EU) 2016/679), Malta's Data Protection Act (Chapter 586), and the Processing of Personal Data (Electronic Communications Sector) Regulations (S.L. 586.01). This interim notice will be updated after verification of the website's actual technologies. Effective date: October 2026. Contact: Privacy@jet-projects.com.
