1. Operator

This corporate website, www.jet-projects.com, is operated by Jet Projects Limited, company C101803, VAT MT29040934, at Suite 64B, Regent House, Triq Bisazza, Sliema SLM 1640, Malta. Verify whether this is the registered office. Contact: [INSERT VERIFIED GENERAL EMAIL AND TELEPHONE].

2. Website purpose and brand separation

The website provides corporate information about Jet Projects Limited, its activities, brands and potential business relationships. AVIOLA is a trademark used for a separate app/platform. Visiting this corporate site does not itself book or confirm a flight; AVIOLA platform use and any charter transactions are subject to their own applicable terms.

3. Use of the site

You may browse for lawful informational and business purposes. Do not interfere with site security, impersonate others, introduce malicious code, or use the site unlawfully. We may take proportionate steps to protect the service.

4. Contact details and correspondence

The website publishes contact details only and does not provide a contact form, booking functionality, quotation requests, accounts or online payments. Visitors may contact Jet Projects by email or telephone. Such correspondence does not itself establish a contract. Aircraft charter enquiries and bookings take place separately through AVIOLA, subject to its own applicable terms and notices.

5. Intellectual property

Jet Projects names, branding, logos and original website materials belong to Jet Projects Limited or their respective licensors, as applicable. AVIOLA branding is used as a trademark; registration, ownership and territorial scope must be verified before making registration claims. No licence is granted beyond normal lawful browsing.

6. Third-party links

External websites and services may have separate terms and privacy practices. Jet Projects remains responsible for its own legal obligations and cannot exclude mandatory rights.

7. Privacy and cookies

Personal-data processing is explained in the Jet Projects Privacy Policy. Optional cookies are controlled as described in the Cookie Policy and the website consent settings.

8. Liability and mandatory rights

Nothing in these terms excludes or limits liability where unlawful, including for fraud or death or personal injury caused by negligence, or removes mandatory consumer protections. Any limitation is subject to applicable Maltese and EU law.

9. Availability and updates

The website may be unavailable during maintenance or events outside our reasonable control. We may update these terms with appropriate notice where legally required; changes do not retrospectively remove accrued rights.

10. Governing law and contact

Maltese law applies subject to overriding mandatory consumer protections and applicable jurisdiction rules. Consumers are not required to sue exclusively in Malta where the law provides otherwise. Complaints: sales@jet-projects.com. Effective date: October 2026.
